

## UNVEILING NOBLE ELEGANCE

The City of Humble proudly celebrated the unveiling of *Noble Elegance*, a new public art installation hosted and coordinated and by the Civic Center team. The event reflected the City's continued commitment to honoring the culture, history, and character of our community while investing in the future of downtown Humble.

## BUILDING A STRONGER FUTURE

At a recent council meeting, the city council approved over \$1 million in engineering services and contracts aimed at improving infrastructure across the community. Projects include a Main Street improvement project, drainage improvements, water line expansions, and upgrades to our water wells. These investments reflect the city's ongoing commitment to maintaining and improving the systems that residents rely on every day, and we look forward to sharing updates as these projects move forward.

## FOURTH OF JULY REMINDER

As a reminder, the purchase, possession, and use of fireworks within city limits is regulated and enforced. Residents are encouraged to take advantage of the many community fireworks displays that will be available throughout the surrounding areas on the Fourth of July — a safe and fun way for the whole family to celebrate the holiday together.

## CITY MANAGER GIVES COMMENCEMENT SPEECH TO GRADUATES

City Manager Jason Stuebe recently took part in the Lonestar College Fire School commencement ceremony, delivering the commencement address to the program's newest graduates. It was a moment that brought together local leadership and the community members stepping up to serve it. The fire school program continues to be an important pipeline for trained professionals who will go on to protect neighborhoods across our region. As these graduates head into their careers in fire service, the city wishes them well in the important work ahead and looks forward to seeing the difference they will make in the communities they serve.

## BIKE PATROL IS BACK

Bike Patrol is back on the streets, bringing an added level of visibility, accessibility, and community engagement to our policing efforts. Bike Patrol Officers are able to

navigate areas that are difficult for vehicles to access, respond quickly in crowded spaces, and build stronger relationships with residents through more direct interaction. In addition to enhancing public safety, bike patrol supports proactive policing efforts while promoting a positive and approachable presence throughout the community.

## STAY WEATHER AWARE

June 1<sup>st</sup> marks the official start of hurricane season, and now is the time to make sure you and your family are prepared. The City's emergency preparedness website has everything you need to stay weather aware. Visit us at [www.readyhumble.com](http://www.readyhumble.com)
