Parks Department – Storage Building Construction

1 Introduction

The City of Humble (City) is issuing this Request for Bid Proposals (RFP) to solicit statements of qualifications, technical approach, and pricing from firms capable of constructing a 30'x75' engineered steel storage building.

This RFP, issued in accordance with the provisions of the laws of the State of Texas, invites qualified firms to submit bid proposals describing their technical and financial qualifications to provide the services described.

Special Conditions:

- The successful contractor shall furnish all necessary labor, supervision, tools, equipment, materials and supplies to perform these construction services.
- Timely service is critical to the success of this project. The ability to deliver the required service will be a major factor in the evaluation process for the award of this contract.
- Prevailing rates of wages must be paid in conformance with all applicable laws of the state of Texas.
- The contractor shall provide current copies of all necessary permits and licenses needed to provide the services stated herein the City of Humble and the state of Texas.
- The Contractor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with this project.
- Contractor must have 10 years' experience in construction industry.
- Contractor is required to provide at least 5 references.

It is understood that the information contained in the RFP and the experience, guarantees, price for services, by the Contractor shall be the general basis for the selection of a Contractor for the consideration to provide this initial scope of services and future services.

The City expects to select the most qualified, responsive, resourceful and experienced Contractor based on the review by the City and its evaluation/selection committee. The overall most responsive firm will be selected at the sole discretion of the City based on the review of the Contractors' overall submittals.

Upon selection of the finalist, the City will immediately begin scope clarifications, draft agreement revisions, and final negotiations with the most responsive Contractor. Should the negotiations fail to result in an executed agreement with the most responsive Contractor, the City may elect to terminate negotiations with the most responsive Contractor and begin negotiations with the second most responsive Contractor (and so on) or cancel the procurement process.
