**Purpose:**

The purpose of this Youth Diversion Plan is to provide structured alternatives to formal judicial proceedings for youth offenders. The Municipal Court of the City of Humble prioritizes individualized justice, with a focus on fostering accountability and positive development. The Court seeks to balance the interests of the community with the unique circumstances of each child to advance the following objectives:

1. Reduce recidivism and the occurrence of problem behaviors through intervention without having to criminally adjudicate children.
2. Identify at-risk youth, including youth with mental health needs, substance use disorders, or intellectual and developmental disabilities and, where appropriate, make referral to early youth and intervention services under Subchapter D, Chapter 264 of the Family Code.

4. Increase collaboration between governmental, educational, and non-profit organizations.

**Philosophy:**

The court is committed to individual justice in individual cases. Recognizing that every child's situation is unique, the Court will evaluate each case on its merits, considering the best interests of the child and the community.

other strategies per Article 45.305 of the Code of Criminal Procedure. These strategies may be customized by the Court in consultation with interested parties and their representatives.
